Version 9: Dated 14-11-2011

Jeweller to the Lost - is a poetic title which alludes to a search - a creative journey.

We know that jewellery occupies a special place in the human psyche not only as adornment but also as signifier, worn on the body it captures this duality- intimacy and permanence.

This work has brought me close to people seeking the right object to witness the depths of their emotions.

With the right jewel we create a little time capsule, one that we throw hopefully into the future.
